## Propargyl Alcohol

Summary .....	IX
Recommendations .....	X
1. Characterization of the Substance .....	1
1.1 Chemical Name .....	1
1.2 Chemical and Physical Properties .....	2
2. Analysis .....	4
3. Production, Application, Introduction into the Environment.....	5
4. Occurrence in the Environment .....	6
5. Environmental Behavior .....	7
6. Ecotoxicity .....	8
7. Toxicology .....	11
8. Substance-Specific Regulations .....	11
9. References.....	12
<b>Appendix 1:</b> IUCLID Data Sheet from BASF AG .....	1-64
<b>Appendix 2:</b> Toxicological Evaluation No. 116 'Propargyl Alcohol'. Employment Accident Insurance Fund of the Chemical Industry (Berufsgenossenschaft der chemischen Industrie), Heidelberg (1998).....	1-29
